

REMARKS/ARGUMENTS

Claims 1-15 and 17-20 are currently pending in the present patent application along with newly added claims 21-25. These new dependent claims are allowable for at least the same reasons as the independent claims from which they depend as discussed in the previous amendment filed on December 15, 2009. New independent claim 25 is allowable for reasons similar to the reasons claim 17 is allowable and has been added to include alternative language for the recited template limitation.

A petition to correct inventorship under Rule 48 was also filed today to properly add inventor John Downing as a named inventor.

The present patent application is in condition for allowance. Favorable consideration and a Notice of Allowance are respectfully requested. **Should the Examiner have any further questions about the application, Applicants respectfully request the Examiner to contact the undersigned attorney at (425) 455-5575 to arrange for a telephone interview to discuss the outstanding issues.** The Commissioner is hereby authorized to charge any deficiency of fees submitted herewith, or credit any overpayment, to Deposit Account No. 19-0130.

Respectfully submitted,
GRAYBEAL JACKSON LLP
